

Outpatient Program – New England

Description

KidsPeace New England Outpatient Programs provide outpatient mental health services to children, youth and families. Treatment services include individual and family counseling. Length of treatment varies for each client and family, and mental health clients are eligible for treatment with a DSM-IV diagnosis and medical necessity. Outpatient staff integrate the KidsPeace Model of Care into each client's treatment: Safety, Dignity, Relationships and Belonging, Empowerment, Character and Transformation. In addition, the programs adhere to the principles of Maine Mental Health standards.
